

I'm serving a widow to fund care for orphans...

# WILL YOU SPONSOR ME?

**On October 10th, we will be serving Ms. Stechman at no cost to her. We've gathered supplies for her home, and now we need sponsorship funds to help Black Mountain Home for Children! Your donations will help BMH's goal to become totally self dependent and not rely on government funding. We want to help make this goal a reality!**

Since the COVID-19 pandemic, BMH has lost a huge amount of revenue due to the inability to host annual fundraising events. Each year they serve between 150 - 170 children through Foster Homes, Cottage care and Independent Living. BMH supports 36 foster families and currently have 61 youth in their programs throughout Western North Carolina. Black Mountain Home's mission is to **Glofiy God** by caring for children and they live this out daily.

Typically, BMH's annual fall festival raises \$25,000 of revenue that goes directly towards helping these children. Our project date of October 10th is the same day they were planning to have their festival but had to cancel due to the pandemic. **We hope to raise the \$25,000 for BMH to help with the revenue they will be losing from not having this event. Your donation can make this possible!**
